AN ORGANISATIONAL RESPONSE TO STAGE 3 GEOGRAPHY AND THE STUDY OF A CONTEMPORARY BUSH FIRE EVENT

Tony Jarrett
Coordinator Community Engagement
NSW Rural Fire Service
October 2013 will be remembered as one of the most challenging and significant periods of fire activity experienced in NSW in recent years. This issue of the Bulletin is dedicated entirely to those busy weeks when more than a thousand fires were reported and responded to and when thousands of firefighters took to firegrounds to protect their local communities.
DISASTER RESILIENCE EDUCATION
A practice framework for Australian emergency management agencies
