Respect - Integrity - Courage - Loyalty - Trust
Trust

- Built sequentially through the day to day interactions
- Face to face (Start with a cup of tea?)
- Can be damaged irrevocably by one untrustworthy act
Building Trust…

The most important cultural understanding we should have is how willing officers and agencies are will to FIGHT for what is in the golden zone….
When we grow this zone, we build trust, and when we have trust then we can communicate...
