

WE WANT TO HEAR YOUR EXPERIENCE.

SHARE YOUR FLOOD STORY

Were you affected by the floods in South Australia, Victoria or south-western New South Wales from August 2022 to March 2023?

An online survey is now open for you to share your flood experience, as part of an independent research project to help keep communities safe in future floods.

Every story is important.

- Help us learn what happened before, during and after the floods.
- Your experience will help improve safety and resilience to future flooding.
- 10 × \$150 Woolworths gift vouchers up for grabs.

What does participation involve?

- Researchers are looking for people affected by flooding in SA, Vic and south-western NSW between August 2022 to March 2023 to complete an online survey.
- The anonymous survey will take 30-45 minutes.
- You will be asked about your experience before, during and after the floods.
