

6. STEP 5: ENGAGING YOUR NEW VOLUNTEERS

THINKING EXERCISE

1. What are some ways that you show appreciation and recognition to volunteers in your group?
2. Are there other ways you could recognise your volunteers or celebrate their achievements? What are some of these ideas?
3. What roles or tasks could you give your volunteers that would provide them with more autonomy and freedom? For example, could the more tech-savvy volunteers in your group take on volunteer recruitment through social media?
